WHAT IS A 1031 EXCHANGE?

Section 1031 of the tax code allows owners of qualified real estate to sell the property without paying taxes on the gain from the sale, as long as the sale proceeds or exchange value is used to acquire like-kind replacement property.

To realize the benefits of a 1031 Exchange, a property owner generally employs the service of a Qualified Intermediary (QI).

Real 1031 will work with you to properly structure your exchange transaction.

WHAT KIND OF PROPERTY IS ELIGIBLE?

Nearly all real property held for business or investment purposes is considered to be “like-kind” to all other real property. The following types of real property are often exchanged with taxes deferred:

- Single or multi-family rental properties

- Farm and ranch land
- Vacant land held for investment
